

All inclusive

iPad and set up package

What's included in our complete package:

- Brand new iPad tablet computer with 32GB storage, ultra-fast Wi-Fi connection, 9.7-inch Retina display screen
- Discussion with you about the many apps that are available that we will install and set up on your iPad
- Configure the iPad, register it and create an Apple ID for you
- Set up any e-mail address(es) that you wish to use on your iPad (you will continue to get e-mails on your laptop or PC)
- Delivery of your new iPad to your home and set up the wireless connection securely to your router
- We will give you an hour's familiarisation session to make sure you are comfortable with using it
- You receive a printed copy of Training Highway's iPad Basic User Guide

All inclusive price

£429
